3. The Association Boat Slips are for the temporary mooring of non-commercial boats owned by guests or invitees of Unit Owners.

4. Reservations of the Association Boat Slips may be made by Unit Owners on forms approved by the Association, at least sixty (60) days in advance. By accepting transient mooring at the Association Boat Slips, the boat owner, his/her heirs and assigns, hereby releases the Association and the Designated Party from any liability for loss or damage to said boat or the contents thereof, due to fire theft, collision, windstorm, accident, or similar causes occurring to said boat.
